TREATY COMPROMISE FIGHT WILL GO TO OPEN SENATE

Predicted That 43 Democrats and 15 Mild Reservationists Will Vote to Take It Up

Democratic Members of Bi-Partisan Conference Will Reject Lodge Proposition

By L. C. MARTIN
(United Press Staff Correspondent.)

Washington, Jan. 27.—Republican mild reservationists today had practically worked out an agreement with the democrats to draw the treaty into open debate in an effort to thrash out a compromise on reservations which can obtain sixty two votes for ratification.

This combination will act as soon as the breaking off of the bi-partisan conferences in senator Lodge's office becomes a certainty. This is expected to occur today, when the "democrats" hand Senator Lodge a written reply to his ultimatum of yesterday. The democrats, according to information today, will say to Lodge that they cannot accept his terms for continuation of the conferences. The democrat conferees have authorized Senator Hitchcock, their spokesman, to make public a statement setting forth the exact status of compromise negotiations when the irreconcilable republicans broke up the parley last Friday.

This statement is to show that a proposal drafted by Senator Kellogg of Minnesota, a mild reservationist, and amended by Senator Simmons of North Carolina, a democrat, was acceptable to a majority of the conferees, that just at the time it was scheduled to be approved the irreconcilable upset this plan.

The mild reservationists have assurance that forty three democrats will join with fifteen republicans to put the treaty again before the senate. The plan is to take up reservations one by one, letting senators submit whatever suggestions for compromise they wish.

Bi-Partisan Conference Adjourns

Washington, Jan. 27.—Bi-partisan conferees today adjourned after two hours' meeting leaving the whole treaty situation as much in the air as ever.

The expected final break-up of the treaty did not occur, another session being set for Thursday.

Newberry Trial Postponed Account Snowbound Defendants

J. L. O'SULLIVAN,
(United Press Staff Correspondent.)

Grand Rapids, Mich., Jan. 27.—The selection of a jury in the trial of a Truman S. Newberry, and 124 associates on the election fraud charges, was postponed at a meeting of the court today due to several of the defendants being snowbound and unable to reach the city. Judge W. Session announced the missing defendants may reach the city at 2 P. M. and another effort will be made at that time to proceed.

Attorneys for the defendants presented a motion challenging the entire proceedings, because of the manner of drawing jurors. Judge Session overruled this motion.

Lady Beaverbrook, it is reported, is mentioned as coalition candidate for Parliament for Ashton-under-Lyne.

German Finance Minister Shot

Government Takes Precaution to
Prevent Monarchist Outbreak
After Shooting

(By United Press)

Berlin, Jan. 26.—The government tonight took every precaution to prevent a monarchist outbreak following the shooting of Matthias Erzberger, minister of finance, in the German cabinet today.

Erzberger was shot by a young student and former army lieutenant named Otto Von Hirschfeld. He was not seriously injured, although physicians said an operation would be necessary to remove the bullet which lodged in his thigh. Von Hirschfeld fired three shots from a small caliber revolver, but only one lodged in his body. The first struck a heavy watch chain and glanced off. The second also glanced off when it struck a button on his belt. Von Hirschfeld was arrested immediately. He told the police he had been attending the Erzberger-Hefferich trial and had become convinced that Erzberger was "noxious to Germany."

The British and Italian ministers sent a message of sympathy to Erzberger.

Wants Sims Given a Dishonorable Discharge

From the Navy for His Testimony Before
Senate Naval Committee

(By United Press)

Washington, Jan. 27.—Dishonorable discharge for Rear Admiral Wm. S. Sims, because of his recent testimony before the senate naval committee, was recommended by Rep. Byrnes of South Carolina, democrat, in a speech in the house today.

Byrnes declared that if a superior officer would admonish Sims on leaving for England before the United States entered the war "not to let the British pull the wool over your eyes" the admiral be reprimanded by the senate committee for "violating confidential instructions" and he deserved the condemnation of every American and a dishonorable discharge from the navy.

The declaration of Byrnes that Sims should be dishonorably discharged was greeted with applause from the democratic side. Several republicans joined in.

Germany Protests Delivering Prisoners

Up to Allies For Trial—Asks Release
From Those Clauses of
Treaty

(By United Press)

Paris, Jan. 27.—Germany has sent a note to the peace conference urging the allies to relieve her from execution of clauses in the Versailles treaty which requires Germany to deliver persons accused of war crimes. It was learned today. The text of the note has not yet been made public.

Federal Prohibition Commissioner, His New York Aie, and Anti-Saloon Leaguer to Whom 1,000 Clergymen Pledged Support

They were photographed together in New York city, where they addressed 1,000 clergymen who attended a prohibition enforcement meeting under the auspices of the Anti-Saloon League. A resolution pledging "moral support and co-operation" to prohibition officers in enforcing the law was adopted.

Car Shortage is Acute in Minnesota

State Railroad Commission Com-
plains to Director Hines—
Thousands Needed

(By United Press)

St. Paul, Jan. 27.—Reports of car shortage in Minnesota was submitted to rail director Hines of the railroad administration by the state railroad and warehouse commission yesterday.

"The car shortage is acute" said A. L. Flinn, chief clerk for the commission. On the Great Northern and Northern Pacific lines several thousand cars are needed for shipment of hay to western North Dakota and Montana. Hundreds of live stock shippers are awaiting cars and are being put to heavy expense because of the delay. In southern Minnesota cars are needed to relieve crowded conditions of elevators and to move the ice crop.

Mills Close Because of Car Shortage

St. Paul, Jan. 27.—Flour mills were closing down here today because of the railroad car shortage. The St. Paul Milling company closed its plant today and the Capital City mills will not reopen tomorrow morning. One-third of the mills in Minneapolis are prepared to close, it was said. The car shortage is acute throughout the northwest. Members of the State Railroad and Warehouse Commission predicted others will have to close down unless the shortage is relieved soon. Bad weather in the east is one reason for the shortage, members of the commission said.

Fear Relief Men May Have Perished

Fate of Seven Men Who Tried to
Reach Frozen Ice Steamer
Unknown

(By United Press)

Chicago, Ill., Jan. 27.—Chicago's "Polar adventurer," the Sidney O. Neff, continues to fight the ice today while Chicago wonders over the fate of the seven men who attempted Sunday to reach the boat by crawling over the frozen surface of the lake. With ice fields breaking up, and the Neff blown far to the north of Chicago, since the seven men left, there was fear that they may have disappeared in some suddenly opened chasm. Lake steamers are enroute to get in touch with the Neff to learn if the seven men have reached her. Six of them were sailors and one was a photographer.

Indian Appropriation Bill Cut Several Million

(By United Press)

Washington, Jan. 27.—The senate Indian affairs committee today ordered a favorable report on the Indian appropriation bill, after cutting it \$127,850 below the figures fixed by the house. The bill as reduced by the senate committee carries \$12,746,897, a decrease of more than \$3,000,000 from the original estimates submitted by the secretary of the treasury. This is the first of the regular 1921 appropriation bills, and the action of the committee in making sharp cuts was taken as an indication of economy measures on which the senate will insist.

New Winnipeg to Montreal Water Way Being Considered

(By United Press)

Winnipeg, Jan. 27.—Delegates from all over Canada gathered here today to urge on the government a \$100,000,000 waterway proposition from Montreal to Ft. Williams. A canal forty-four miles long would make this possible, and reduce the rate of wheat from western Canada to Liverpool five cents a bushel.

Houston Made Treasury Chief

He is Succeeded as Secretary of Agriculture by Edwin T. Meredith of Iowa, Editor

(By United Press)

Washington, Jan. 27.—David S. Houston, secretary of agriculture, is to be appointed secretary of the treasury by President Wilson. It was learned today at the White House.

Mr. Houston will be succeeded by Edwin T. Meredith of Iowa, editor of the paper, Successful Farming. He is on his way to Washington from Miami, Florida, and it is understood he will take up his new duties at once.

Meredith Accepts

Miami, Fla., Jan. 27.—Edwin T. Meredith announced here today that he will accept the post of secretary of agriculture which is expected to be made vacant by the appointment of Secretary Houston to be secretary of the treasury.

Extend Time For Filing Inventory of Liquor Stocks

(By United Press)

Washington, Jan. 27.—Daniel C. Roper, internal revenue commissioner, today extended until February 10 the time for filing inventory by persons possessing liquor or other fluids containing one half of one per cent or more alcohol suitable for beverage purposes. Today was to have been the last day for filing returns, since the Volstead enforcement law stipulates such returns must be filed within ten days after constitutional prohibition became effective.

New Jersey Governor, Foe of Prohibition, Taking Oath of Office at Trenton

This photograph was taken at Trenton, N. J., as Chief Justice William S. Gummere was administering the oath of office to Gov. Edward I. Edwards in front of the state house. Governor Edwards, who was elected on a wet platform, pledged himself to "do every lawful thing to have it determined that the present condition of affairs with respect to prohibition has been illegally forced upon the people of this state."

Reports Show Producers Receive Less and Con- sumers Pay More for Food Products

RALPH COUCH,

(United Press Staff Correspondent.)
Washington, Jan. 27.—Middlemen have accumulated vast profits during the five months of government campaign to reduce prices of necessities, investigation of two government departments indicated today.

Since the middle of August when Attorney General Palmer announced he was going after the "price gougers" reports show that—

Prices paid farmers for the principal crops, decreased from 3 4-10 per cent to 8 7-10 per cent each month, according to the agricultural department, and

Prices paid by consumers increased continually until they reached the highest point in history in December, according to the labor department.

That report seems to indicate that middlemen are buying cheaper than ever before but receiving the highest prices in history.

According to the agricultural department the level of prices paid producers for their principal crops and to farmers decreased like this:

3 4-10 per cent in August, 8 7-10 per cent in December, 3 7-10 per cent in October and 4 7-10 per cent in November. Part of this is due to a seasonable falling off in demand, agricultural officials say, but over a ten year period the average decrease due to seasonable demands were only 1 2-10 per cent in August, 2 per cent in September, 3 6-10 in October and 3 6-10 in November.

Prices paid farmers for meat producing animals also have decreased in the last five months in greater proportion than average seasonable decrease for the ten year period.

President Will Rec- ommend Millions for Starving Europeans

(By United Press)

Washington, Jan. 27.—President Wilson, it became known today, will recommend to congress to appropriate \$150,000,000 to be used in feeding the starving people of Poland and other states on the bolshevik frontier. The appropriation has been urged by Herbert Hoover, General Bliss and others in close touch with the situation in that part of Europe.

The matter of making the appropriation is before congress at present. President Wilson is not expected to send a note to congress but will suggest to individual members that the appropriation be authorized.

Texas Town Badly Damaged by Fire

Des Moines, Texas, Jan. 27.—Two blocks in Des Moines business district were in ruins today following yesterday's disastrous fire. Damage was estimated at \$500,000. Inadequate fire fighting equipment permitted the flames to gain headway before they could be extinguished.

Flu Reported Bad at Fargo

Fargo, N. D., Jan. 27.—Health officials today were expecting to recommend an influenza quarantine following the report of 166 new cases since yesterday. Ten deaths from influenza were reported in the last week. More than 800 cases of mild influenza have been recorded. Physicians report forty cases of pneumonia.

When Blood Is Bad

Granite Falls, Minn.—"During one ex-
pectant period I had various veins, which
were extremely painful. A couple
of bottles of Dr. Pierce's Favorite
Prescription completely cured me
of this condition and my system was
tuned up and I had comparatively no
suffering. An old lady recom-
mended Dr. Pierce's remedies
to me a couple of years before when one
of my children had a solid crust of scabs on his
head. She told me that it was because my
blood was in poor condition so I took Dr.
Pierce's Golden Medical Discovery to
purify my blood and at the same time gave
the baby a few drops several times a day.
The effect was wonderful and in a very short
time he was a healthy looking baby and had
a fine head of hair."—MRS. JOHN M.

think it a very wonderful medicine for
women."—MRS. HARRY FREDERICK-

MUSICIANS UNION GIVES ANNUAL BALL

A Feast of Music Provided, Four Orchestras and the Band Taking Part in Program

FLOOR CROWDED WITH DANCERS

Harmony in Music, Decorations, Attendance, Etc. Contributing to Make Rare Social Event

The Musicians Union dance given Monday evening was a rare social event and as to music had such a variety and quantity and quality as was never before heard of in the annals of dancing in Brainerd.

Four orchestras and the Brainerd City band played. First came the grand march which the band played and followed with four other numbers. Then followed the various orchestras, each playing its allotted portion and each striving in musicianship, novel effects, to outdo the other. Sometimes there were six encores to one selection.

The hall, beautifully decorated, was crowded to capacity.

The arrangements committee covered itself with glory and the whole event reflected great credit on the union.

THE NORWEGIAN NIGHTINGALES COMING

Brainerd is indeed fortunate in arranging for a concert by the Lerstad Concert Company which is touring the larger towns of the northwest. It is to be at 3 o'clock in the afternoon of Sunday, Feb. 1st, at the Park theatre.

The Lerstad sisters, Agnes and Melvina, known professionally as the "Norwegian Nightingales," are being featured. These two girls are rapidly taking their place among the most talented singers of the northwest, the wide range and exquisite timbre of their voices making them popular wherever they sing.

The Nightingales are ably assisted by Miss Nelson, an unusually gifted pianist, and Miss Schroeder, whose violin has aroused the emotions of many an audience; while Miss Bryngelson's delightful readings of O. Henry's stories, and Miss Lange at the harp, lend pleasing variety to the program, so that an afternoon of unusual pleasure may well be anticipated by the music lovers of Brainerd.

Mission Society

The Mission society of the Clara Lutheran church will meet this evening at the home of Mr. and Mrs. John Headman, Maple street Southeast, at 8 o'clock. This is the annual meeting and all members are asked to be present.

S. S. "Workers" Meeting

The "Workers" meeting of the Swedish Baptist Sunday school will be held this evening in the church basement. The teachers, officers and department superintendents are all requested to be present.

Community Council

The Brainerd Woman's Community Council will meet at Elks hall on January 31 at 3 o'clock.

Cheer Up and Gear Up

It takes cheers and gears to make this old world go. The average man has so many things that hold him back that he is in danger of giving up. But the great men of the age are the product of trial. They come through the furnace tried and fitted for life's obstacles because they have dared face the up-grade with a smile. Emerson says, "Nature, when she adds difficulties, adds brains." That may not seem to be true while we are under trial, but the saying holds in the long run. And, besides brains, you must have a reasonable measure of good cheer. It's so easy to go down because there is nothing in the mind to add resistance to the constant thud of adversity. You must cheer up as well as gear up if you are going to win.

DO WE APPRECIATE OUR GOVERNMENT

"We do not realize the value and significance of government. Good government is the best of all material possessions. It envelops us like the very air we breathe, though we are usually unconscious of its worth just as we are that without the air we breathe we would surely die. Government is our greatest worldly possession, because without it the things that enrich and ennoble life could not be. The sanctity of the home, the security of life, liberty and property, the school-houses dotting all our land, the church spires pointing heavenward, could not exist for a moment unless a worthy government threw its protecting arms over them. Nature's prodigal gifts are of no value unless a stable, just government exists to protect them.

Mexico is a land of untold wealth. The same sun shines upon her fertile fields that shines upon our own. The rain falls, the seasons change and Nature works her miracles there just as here. But, upon one side of the invisible line which separates Mexico from the United States the fields are waste, the people starve, and want and despair are everywhere. Upon that side which rests under the protection of the American flag, the fields teem with plenty, the land becomes of greater value year by year.

happy homes multiply, and all civilizing things thrive. We are not appreciative of the blessings which our government bestows upon us. We are not mindful enough of the high duty that rests upon us to preserve that government. Its maintenance, in all its integrity, should be our first worldly concern."—From a speech of Governor Frank O. Lowden of Illinois, recently delivered at Minneapolis.

ARE FARMERS GETTING WISE?

The Albert Lea Examiner, the first daily started by the Townley League has suspended, after an experience of 38 days. Some 200 farmers were induced to become stockholders, and those who did not put up cash for their stock turned over Liberty bonds or gave their notes. A two story building was erected, a fine plant purchased and the paper started off with 16 pages, dropped to 8, then to 4. The paper made an urgent appeal to the stockholders to pay their notes, and the financial situation became so desperate that the stockholders held a meeting, and decided to stop the daily and try a weekly. Starting a daily paper is a hard task these days. It means a heavy loss for at least two years, before it can be put on a self-sustaining basis, with the very best of business management, and reports from Albert Lea says the management of the Examiner was extravagant in the extreme.

Norman Black, of a Fargo, told the Northern Minnesota Editorial association, the plan on which Townley promoted his string of papers. Expert Socialist salesmen were sent through the country, and sold preferred stock to the farmers, ten shares of preferred stock having only one vote, the price being ten dollars a share. Each share of common stock at \$2 has a vote, but this is all held by the Townley service bureau in St. Paul, and it gives control of the paper, although big head lines say that it is controlled by the farmer stockholders. Another peculiar feature of the Townley scheme is that the preferred stock is charged with all liabilities while the common stock is exempt from this liability.

When a paper is purchased, the price is boosted to the farmers and the Townley organization is said to gather in this profit, so that the common stock costs them very little, if anything, and yet they are in absolute control. This is certainly a clever scheme on the part of Mr. Townley. St. Cloud Journal Press.

HAPPENS IN BRAINERD TOO

The following from the news column of the Bemidji Daily Pioneer duplicates a situation in Brainerd where people shortcut across lawns in winter time and deface them. In spite of the fact that sidewalks are kept clean, people will persist in making the rabbit paths and cutting into the lawns. The Bemidji article states:

CENTRAL POTATO GROWERS' EXCHANGE

65 Delegates Present at the Meeting
 Held in Little Falls—Crow Wing County Represented

BRAINERD MAN ON THE BOARD

D. D. Schrader's Candidacy Pressed
 by His Friends Who Wish Him on Board of Directors

Prospects for the organization of a Central Potato Growers' Exchange in Minnesota are bright, according to R. R. Wise and F. T. Lincoln, members of the Brainerd delegation who attended the meeting at Little Falls Monday and who returned on the early morning train today.

There were sixty-five delegates present from a wide territory in the potato belt and Crow Wing county was recognized in the organization details. R. R. Wise was made one of the committee of ten on nominations, which placed before the delegates the names of twelve men, from which the Board of Directors of nine will be selected.

Mr. Wise nominated D. D. Schrader of this city as a member of the board and a hard fight will be made by the Brainerd delegates to land him on the board. E. G. Roth, Frank Schrader of Pequot, and D. D. Schrader of Brainerd, remained today to see the outcome of the contest for members of the board, which is decidedly interesting.

Should Mr. Schrader be selected, it will be an important recognition for this county and if he fails it cannot be said that Brainerd did not put up a good fight and the county was certainly well represented.

Mr. Roth was active in the proceedings of the delegates and F. T. Lincoln one of the speakers at the evening session last night. "Dave" Schrader, backed by his friends from Crow Wing county and the northern section of the state, is letting them know that Crow Wing county is on the map and has a wide-awake delegate in the field for a place on the governing board. The selection of the place for the exchange headquarters is up to this board.

Catarrhal Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All

AMERICAN LEGION HAS A MEETING

Legion Men at International Falls State Their Side of Strike Case in That Town

LOCAL POST AFFAIRS WERE UP

Officers Plan an Entertainment, A Vaudeville Review to be Staged Very Shortly

At a meeting of the Sidney Carl Hanson Post of the American Legion held in Elks' hall on Friday evening, January 23, it was unanimously decided that the following communication bearing on the matter of sending troops to International Falls be handed to the local papers.

The letter signed by ten, states they were all former service men, former employees of the Minnesota, Dakota and Western railway and are now on strike on account of E. W. Backus abrogating their schedules and reducing their pay approximately twenty per cent:

"We," says the statement, "and the other 31 men associated with us, in this strike, are determined to accomplish, through peaceful and lawful means, the objects for which we are striking. Neither we nor those associated with us in the strike have committed or advised to be committed any act of violence or disorder; and neither we nor those associated with us are members of or in sympathy with the I. W. W. or any other organization that advocated the use of violence as a means of securing a settlement in industrial disputes. We have not even placed men on picket duty, or in any way interfered with the operations of trains, or in any way molested or even visited company property."

The letter continues in part: "Through no fault of our own, the assumption of violence or threatened violence on our part has been conveyed to the public mind. The people of this state, quite naturally, feel that the National Guard would not be called except in case of riot or threatened disorder, and unfortunately, the information was given out that the guard was sent here on account of the strike in which we are involved. Public opinion of us therefore is just as it would have been if we had actually been I. W. W.'s and law-breakers. Hence, through no act of ours, we have been deprived of winning approval from the public at large through being decent and orderly."

The officers of the Post are to act as a committee to meet representatives from the orchestra chosen from membership of the Million Dollar

"LOTTERY MAN" AGAIN TONIGHT

"The Lottery Man," given as a benefit for the Brainerd Baseball club, is certainly a good film story, as was attested by the audience which had the pleasure of seeing Wallace Reid in this Paramount-Artcraft feature.

The film play will be repeated tonight, 7:30 and 9 o'clock, and it is hoped the attendance will be one to tax the capacity of the New Park theatre, there being no dance attractions to compete with.

When Wallace Reid injects his breezy personality into a smashing farce comedy like "The Lottery Man," screen audiences can expect things to hum. They do. Many at the New Park theatre last evening, recalled when the original story scored such an emphatic hit on Broadway as a stage play some nine years ago and later repeated that success on the road. Certainly Cyril Scott, the original star in the production, never offered a more enjoyable or more technically perfect performance in the role of the hero than does handsome Wallace Reid.

Band, and from the St. Paul Posts which put on the vaudeville review in St. Paul, with a view to having these organizations stage entertainments in this city.

It was decided that members of the G. A. R. and Spanish-American War Veterans be cordially invited to the next meeting of the Post at which refreshments will be served.

BOWLING NOTES

In the Merry-Go-Round last week, Kunitz and Stephenson stepped out on the last day and got 1187 pins for the three games. The score for the three games is:

W. Kunitz.....224 176 188—588

Stephenson.....237 209 147—593

Grand total.....1181

For the high score of the week N. Ziebell got 267 with A. White a close second with 263.

Last night Ziebell rolled a wonderful game. In three games he rolled 693, an average of 231 pins per game. His games were 199, 273, and 221.

Wednesday the Boilermakers will take on the Carmen at 8 o'clock to

see who has the best team at the N. P. shops.

On Feb. 10 Cook's I. B. A. will leave here for St. Paul to take on the I. B. A. meet and on the way down will stop off at St. Cloud and meet that team in a three game series.

Cook's I. B. A.'s took on the N. W. B. A. at Fargo, N. D., this month and Fred C. Cook with 549, got seventh place in the singles and Zieke and Stephenson got eighth place in the doubles with 1077.

Next month the Cook I. B. A.'s will take a trip to Duluth to play in the N. B. A. to take place there.

MR. CLOTHES BUYER

It I could meet you personally I would give you the following important message---That of being face to face with higher clothes prices, for spring.

During the past eight years of successful business in Brainerd I have always endeavored to give the public the most authentic information relative to market conditions as they present themselves from time to time in my line of merchandise.

BUT HERE IS A REMEDY

I am pleased to announce a Mid-Season Sale on Royal Tailored Clothes made to your individual measurements---this Sale to end Feb. 15th, 1920. It means simply this, that from now until Feb. 15th you can save from \$3 to \$5 on a suit and this being coupled with the spring advances will enable you to save from \$5 to \$15 on each suit.

I am showing a splendid lot of all Wool Samples to select from. You are guaranteed prompt deliveries and a good fit.

My store would be jammed if I could make you understand conditions as they really exist. This surprise Sale was made possible by the Royal Tailors who reduced prices for a Mid-Season Sale. A call will be appreciated. You will not be urged to buy.

"Sincere."

Our word sincere is derived from two Latin words—the preposition sine, without, and the noun cura, here in the ablative case, meaning care. Sine cura was, therefore, without care, hence our word, sincere, meaning an office without employment but that has a revenue; position having emoluments with few or no duties.

DRUMMER DOING HIS BIT

"I am a traveling salesman and have met others who, like myself, were suffering from indigestion, stomach trouble and gastritis. Since taking 3 weekly doses of Mayr's Wonderful Remedy I am very much pleased with its results, so much so that I have induced others to take it and they too were marvelously helped." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments including appendicitis. One dose will convince or money refunded.

REDUCE YOUR WEIGHT

Simple, Safe, Reliable Way

If you are carrying around ten to sixty pounds of unhealthy fat you are unnecessarily weakening your vital organs and are bearing a burden which "drowns" the beauty of your figure.

Why continue a victim of superfluous fat? If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or strenuous exercise, use the Kerein system. It is just what you should try. Spend some time daily in the open air, take seven deep breaths each morning and night and use oil of kerein; following simple directions that come with the box. Weigh and measure yourself once a week.

Oil of kerein is absolutely harmless, is pleasant to take. Even a few days' treatment has often been reported to show a noticeable reduction in weight and measurements. Your work becomes easier; a more buoyant, vivacious feeling takes possession of your whole body and mind. WONDERFUL! Become attractive, look and feel younger; add years to your life! Be surprised and delighted.

Amaze your friends, too! First, obtain a box of oil of kerein at any drug store. A \$100 guarantee in each box that by following kerein system you will lose 10 to 60 pounds, whatever weight you wish. A brochure will be mailed (plain wrapper) free by Kerein Co. Station F, New York, N. Y.

Auto Exhibition
Minneapolis, Jan. 27—Superstition does not seem to figure very strongly in the makeup of men behind the Twin City Automobile, Truck, Tractor and Industrial Exposition which opens Saturday in the Overland building, Midway.

The coming show will be the 13th they have staged, but despite the sinister number they are promising their greatest exposition.

Manager Wilnot announced this week that the exhibits in the various departments will have a value of \$6,000,000. This figure is \$1,500,000 in excess of any total ever reported at a past show. There will be 1388 separate exhibits on the five floors of the Twin Cities' biggest show house.

Boy Scout Drive
St. Paul, Jan. 27—The Rotary club's drive for \$8,500 for the benefit of local Boy Scouts opened here today. The entire sum will be raised by voluntary subscription.

Potato and Corn Show
Wadhalla, N. D., Jan. 27—Prominent speakers have been engaged for the Mid-Winter Potato and Corn shows here today and tomorrow. The show is an annual institution and this year is under the direction of County Agent Roy Dynes.

Canadian Waterways
Winnipeg, Man., Jan. 27—The Canadian Waterways association conference opened here today. The conference will last two days and the main topic of the meeting was discussion of better water transportation. Delegates from all parts of Canada were here.

For Flood Control
 Fargo, N. D., Jan. 27—A delegation representing the various flood control associations of North and South Dakota and Minnesota leaves this week for Washington to urge federal action in assisting the extensive work of drainage and flood control in the three states.

The delegation will ask congress—To make an appropriation recommended by the war department for the improvement of the Lacquiport reservoir.

To pass a law authorizing the federal government to assist in financing drainage and flood control improvements similar to the law now in force applying to the irrigation of arid lands.

To create a commission to act with a similar commission representing the government of Canada in the work of securing co-operation between the two governments in the improvement of the Red River in the United States and Canada.

Winnipeg delegates attended the tri-state flood convention in Fargo and delegates from the three states attended the convention in Winnipeg.

The loss from floods is estimated to run annually into millions and engineers have further suggested the feasibility of utilizing this now destructive power in building up factories.

Character in the Nose.
There is an old saying that "a man's character is as his nose is." The nose, according to physiognomists, is one of the most important features. Both its size and its shape have their significance.

Bring Your Family to the National Automotive Show Twin Cities Midway Jan.31-Feb.7

Only four more days till the mammoth National Automotive Show will open wide its doors in the Twin Cities. After months of preparation and the expenditure of hundreds of thousands of dollars, the greatest automotive show the world has ever known is ready. Ten solid acres filled with \$6,000,000 in exhibits—thirty thousand dollars in decorations of surpassing beauty and brilliance, countless entertainment features—you can't afford to miss this exposition. Your friends will all be there. Bring your whole family and come.

The Big Show is Ready

On Saturday the pressing of a button will convert the tremendous Automotive Show building into a magnificent fairland of color and twinkling lights. Visitors are arriving in the Twin Cities by thousands. Arrangements have been made to care for 250,000 guests in the Twin Cities. Accommodations are ready for you—write or wire immediately. Everyone is anxious to extend you the glad hand of welcome on January 31st.

First Hand Attractions

Never before has an Automotive Show been attempted on the scale of this one. Four big shows in one. The greatest assortment of automotive exhibits ever displayed under one roof. The most important automotive show in the world this year. All the improvements developed during 1919 will be shown here for the first time. Come on in and learn the very latest in Automotive products.

Four Mammoth Shows for One Price In the World's Largest Show Building

The National Automotive Show will be held in the Overland Building—midway between St. Paul and Minneapolis—the largest building ever used for a purpose of this kind. Just think of ten acres, or six city blocks completely filled with instructive, interesting exhibits! Five immense floors crammed with a variety of exhibits that will keep you jumping to see them all. ONE ADMISSION fee gives you the privilege of seeing each and every attraction in all FOUR BIG SHOWS. You pay once and only once! Nowhere else in the United States will you find admission privileges to equal these. Make plans now to see the National Automotive Show. Arrange to bring the family. They all deserve the good time and the vacation they will have while at this unparalleled exposition of modern progress. It would cost you a small fortune and weeks of time to see the automotive features at this show individually. Here you can see exhibits from every part of the United States by just walking from one aisle to the next. You will find all the various machines side by side with the accessories that go with them. Experts will be on hand, ready and willing to explain the advantages of the different machines and tell you how to care for them. You can take your time to investigate, examine and determine what you owe yourself this trip after putting in a mighty hard year of work! Plan to be here Saturday when the Show opens. The Twin Cities are waiting to greet you.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
